Student Water Bottles

PLEASE be sure your student has a water bottle sent to school every single day. We have had some very HOT days and they need to stay hydrated. We have had water graciously donated to us, but lets give back by sending a water bottle FILLED with water to school! Again, water fountains are not open.

RULES

Student Handbook pg. 9-11
 Student dress code has recently been an issue with several students. Please be sure your student has socks on every single day and that all other uniform requirements are being followed.

TOYS ARE NOT ALLOWED IN SCHOOL, UNLESS YOUR TEACHER HAS SPECIFICALLY ASKED YOU TO BRING THEM. Please check your child's bookbags before school to ensure nothing is being brought in.

Reminder that a school physical is required for all students. Please get this into the office, along with any other missing paperwork ASAP.
