Cheer sign ups are now *open!*

2025-26 Cheer Info

Cheer sign ups are now open until May 2nd on the CKCA website.

- Cheerleaders must be entering 3rd-8th grade to participate.
- There will be NO LATE SIGN UPS! Students MUST sign up during this time. (Exceptions will be made as needed for new students).
- Unfortunately, we will not be having tryouts this year.
- This summer we will have a cheer camp and fundraiser during the last week of July. Exact days and times will be announced when the time gets closer. Please make this a priority as attending is **mandatory**.
- We will have a parent meeting one evening during our summer camp that is also extremely important to attend. This meeting will discuss what our season will look like, as well as expectations and guidelines each cheerleader will be required to follow.
- Cheer practices will begin in September. Practices will be on Thursdays at 3:30pm. (Ending time will depend on many factors and will be decided after our cheer camp. We will either end practices at 4:30pm or 5:00pm depending on the need!)

Fee: \$40- Due September 1st, 2025

I look forward to another amazing year of cheer! Please, feel free to contact me if you have any questions!
